

APS 2012 Web Award Winners

The American Philatelic Society is pleased to announce the winners in its first Chapter and Affiliates Web Awards recognizing website excellence. A total of sixteen groups participated in this inaugural competition, which was open to all APS chapter clubs, club or federation run stamp shows, and affiliates. Each site was evaluated in a variety of areas, including overall content, structure and navigation, visual design, functionality, and interactivity. The judges were Andrew McFarlane and Ross Towle.

All entrants received a certificate and distinctive electronic award badge to post on their site signifying their award level and competition year. The 2013 competition will be held in the spring with details available at http://www.stamps.org/cac/_and and announced in the philatelic press.
