POLICY FOR CHECKLIST USE. All American Topical Association (ATA) checklists are the property of the ATA, intended for use by members and to promote topical collecting. These checklists are copyrighted and are not to be copied except by the ATA for distribution to its members. Portions of a checklist may be used as part of a philatelic article or column if credit is given to the American Topical Association. While every effort is made to provide accurate and timely checklists, the ATA cannot guarantee that these checklists are complete or error free. Questions on the use of a checklist should be directed to the ATA Office. Members finding errors or omissions are encouraged to send amending information to atachecklists@gmail.com to improve upon this members-only service. Please use the Stamp ID number in the first column of each list to reference suggested changes.

Checklist titles are shown according to three general topics—NATURE (p.1), CULTURE (p.4), TECHNOLOGY (p.9)—then subdivided within the topic. The number in parentheses after the checklist title is the number of stamp issues that appears in the checklist. The items contained in the checklists described as “misc/other” are not repeated in the related lists that follow; for instance, the Animals (misc/other) list contains stamp items not listed in the other Animals listings. The following information is included for each issue:

Type of philatelic Issue	Country	Issue date (year, month, day)	Denomination	Scott catalogue number	Description	Non-Scott numbered souvenir or mini sheet?
--------------------------	---------	-------------------------------	--------------	------------------------	-------------	--

Checklists marked with an asterisk(*) contain Beyond the Catalogue (BTC) items: Basic types of common philatelic items issued by governments but not usually listed in Scott Standard Postage Stamp Catalogue, e.g., booklet covers, meter stamps, postal cards, postal stationery, postmarks.

Costs for the checklists are:

Emailed (Excel file, or .pdf file if requested): **Two cents per item.** A checklist with 200 stamp listings costs \$4. **Mini-topics** (checklists with less than 150 items) cost \$3. **Maxi-topics** (checklists with more than 3,750 items) cost \$75.

Mailed: Add ten cents per page for printing (~50 items per page), plus actual postage to mail. Contact ATA Office for assistance.

Checklist Updates: ATA members who purchase checklists from the new dATAbase (since 1 May 2014) are entitled to free updates once/year as long as ATA membership is maintained. Contact the ATA Office for your update(s).
