

ATA NEW MEMBER BONUS

All new ATA members will receive ATA Handbook 133, ***Adventures in Topical Stamp Collecting***

This seminal work, originally published in 1997, has been hailed as the “Bible” of thematic stamp collecting.
96 pages.

Easy-to read chapters, including

- Exploring your Chosen Theme
- Expanding Your Horizons
- Putting it All Together

96-page book authored by noted topicalists:

George Griffenhagen and Jerome Husak

A fine addition to your philatelic library

All new ATA members from Canada and the U.S. will receive a free copy of ATA Handbook 133. ATA reserves the right to deliver an Electronic copy of the handbook to members who choose Electronic membership. Overseas new members will receive an electronic copy, or a print copy if \$5 for additional postage is included with membership fee.
