A Taste of Topicals packet contains five topical album pages, ~30 stamps to match the page topic, stamp hinges and various information to help one get started in topical collecting. The packet was designed for youth, but many adult beginners enjoy the item for themselves. Topics other than those listed (such as specific animals or sports) may be available upon request. Packets are available at ATA society tables at stamp shows, or order from the ATA Office. Cost is \$5 plus \$1.50 domestic postage; if purchasing several packets or if the packet is to be mailed internationally, save money by contacting the ATA Office for actual postage cost. Pay by mailing a check or sending mixed denomination mint US stamps to:

ATA PO BOX 8 CARTERVILLE IL 62918-0008 USA
